

ESCALER & ZOBEL WIN SEPTEMBER TITLES, WHILE MARCOS LEADS SHELL DERBY AT HOMESTRETCH

Last Monday, September 3, 1984, saw the last of the club's regular monthly contests for the year 1984. The theme was "Emotions or Feelings," and the medium color slides. A total of 64 entries were submitted out of which only eight failed to earn enough points to qualify, for a relatively high "passing" rate of 87.5%.

Topping all the entries and winning the title "Picture of the Month" was a strikingly lit close-up of a pensive Gina Alajar by Pancho Escaler. In second place was an exhausted karatista by Danny Ventanilla. Tying for third place were a clown weeping over a broken violin by Ramon Marcos and a boy exulting at a soapbox derby victory by Bobby Paterno.

It was Jaime Zobel, however, who harvested the highest total for two entries that evening thereby crowning himself "Photographer of the Month." The second highest total was earned by Ramon Marcos and the third highest by Bobby Paterno.

Interest is focused now on the duel between Marcos and Paterno. They are fighting it out for the first and second place in the overall Master Photographer of the Year race, with Marcos leading by a fraction of a point. He inched away from Paterno as a result of the last competition. It is literally "down the wire" for these two. Everything will depend on the outcome of the final on-the-spot competition at Pagsanjan this September 15-16th and the judging which will be held on October 1st. The two have the first and the second places sewn up. It is mathematically impossible for them to be dislodged by any of those following.

Marcos and Paterno have also earned the distinction of being the first, within the memory of club's oldtimers, to finish the year having all their eighteen entries in

"EMOTIONS/FEELINGS" (Color Slide)

all the nine regular monthly competitions, without exception, earn qualifying points. For this unprecedented feat, they will receive each the "100% Qualifier Award." The Board announced that such an award would be given when it promulgated the 1984 rules last November 1983. In addition, Paterno has qualified 100% also in all the three OTS competitions so far while Marcos scored 100% in two out of the three; he did not participate in one of them. However, the OTS competitions do not count in this award.

An interesting battle has also shaped up for the 3rd Place in the Shell Trophy race. Judes Echaz was knocked disastrously down to 7th place by the last competition. Jaime Zobel is now in 3rd Place, but he cannot hold on to this spot because he missed two OTS contests and had only one qualifier in one OTS so far. Thus the battle for 3rd Place is really between Francis Rivera and Bien Bautista. Rudy de Leon, Judes Echaz, Pancho Escaler, Digoy Fernandez, Ernie Fajardo, Pros Madamba, Ely Santos, Dik Trofeo, Sonny Camarillo and Sonny Cruz make up the rest of the top fifteen. But much still depends on Pagsanjan.

CCP ON-THE-SPOT AT PAGSANJAN

It was the last on-the-spot competition for the year, and it was a crucial one for several members fighting for a spot in the top ten for the year or just a slot among the top 36 for inclusion in the club's 1985 printed calendar. Everything will be decided on Monday, October 1st, when the judging for this on-the-spot contest will be held at the Hotel InterContinental Manila.

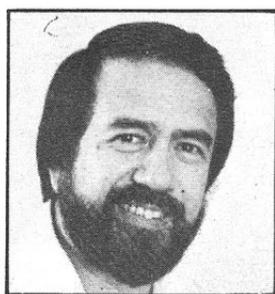

Thus, a total of 24 members appeared and registered for the photographic outing at Pagsanjan, Laguna. Acting President and Contest

ON-THE-SPOT ...

(continued from page 1)

Chairman Judes Echauz set up headquarters at the Pagsanjan Rapids Hotel together with Jun Miranda and club assistant Lita Villanueva on Friday evening so that at 6:00 AM on Saturday, September 15th, the official starting time for the OTS, everything was in readiness. Aside from Echauz and Miranda, the first to arrive was Bobby Paterno, with wife Dete and their two sons. Others started coming soon after. Rudy de Leon, Bien Bautista, Danny Ventanilla, Louie Abiva, Ed Unson, Niding Maloles, Jaime Zobel and so on. And Francis Rivera trying very hard to look calm.

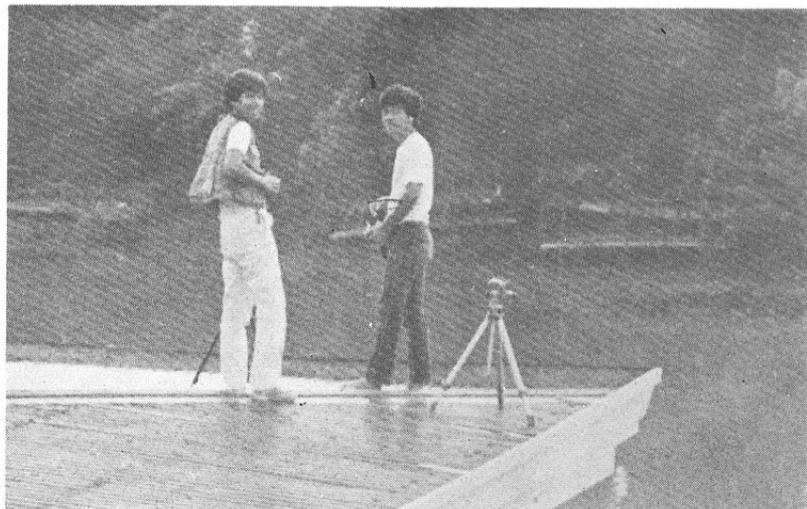

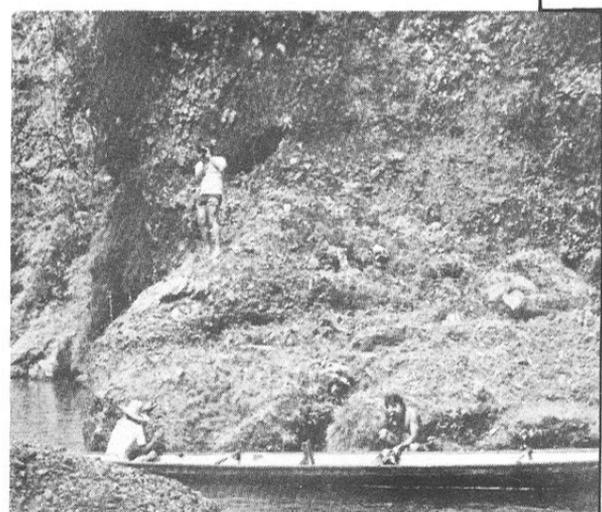

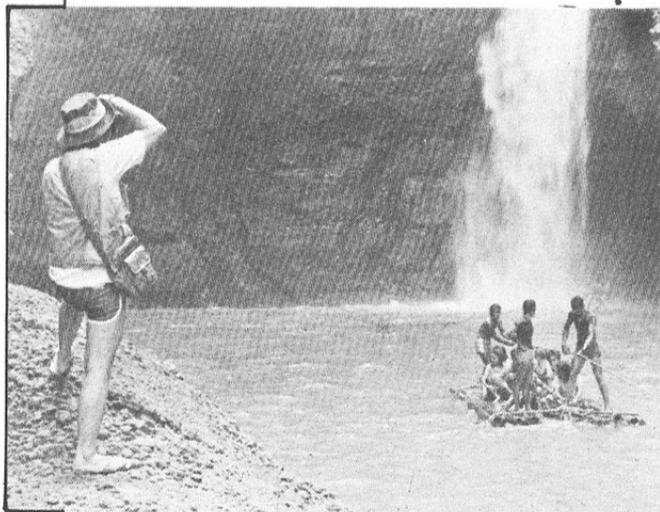

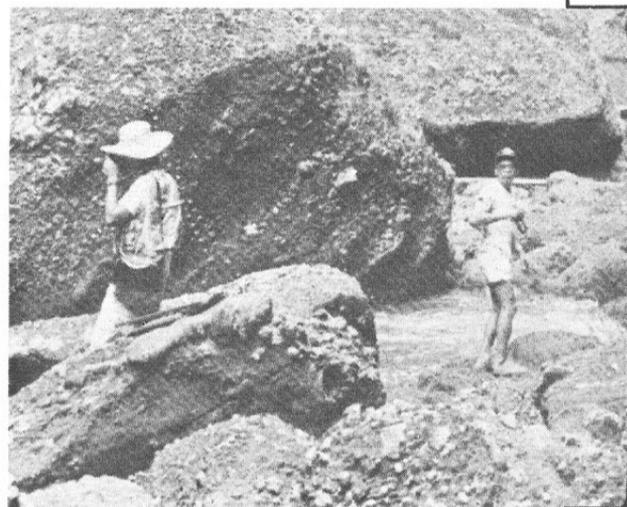

For several, it was a family outing. The Paternos were there in full force. So were the Digoy and Angel Fernandezes and the Danny and Rita Ventanillas. The youngest participant was the months old firstborn of the Ventanillas. Lydia Echauz, Menchu Marcos, Thelma Abiva with son Luigi, were there to give their respective partners moral support. Beth Miranda visited Jun from nearby Pila.

Sunday morning the 16th, at around five o'clock before sun-up, Jimmy Festejo and Ely Santos were already on the hotel roof waiting for the sunrise. They could see bancas quietly slipping away from the hotel in the dark carrying CCP members for the upstream ride through the rapids to the falls. Among the first

were Ramon and Menchu Marcos. And Jaime Zobel all by himself. Not long after, Judes and Lydia Echauz. Then others followed. Later in the day, there was Marcos and Maloles looking all over town for interesting faces to shoot portraits of. Pancho Escaler, Digoy Fernandez and others posing young costumed native dancers they had met the evening before at the hotel. There were Nicky SyCip, Lionel Shau and Patrick Fong shooting close-ups of flowers. Emil Davocol, "Waldollar" Cruz and Rey Lazo visiting familiar haunts.

It was not all photography. Rene Sugay kept showing off the huge *talakitok* he had caught with Johnny Cruz. Pancho Escaler complaining of a stomach ache and being teased about pre-wedding jitters. Jaime Zobel frantic because he had forgotten to shoot his tag. And there was the usual *bidahan* at lunch, merienda and dinner. Jun Miranda allegedly swinging on vines a la Tarzan above the falls at Cavinti. Francis Rivera fording the rapids waist deep in water to take a bird's eye shot of the falls in the same area, while his companions watched enviously from the other side. Next day, Francis worrying that Bobby Paterno had ventured on the same crossing.

Anyway, it will all be decided on October 1st. In the meantime, a lot of hands are being wrung and a lot of fingernails are being bitten off in worry and anxiety. But that is what the CCP is all about.
